## Cup of Tea

Little Englander in America, I don't know what I'm doing here, I put the kettle on, make a cup of tea, Put the kettle on two sugars for me, All I want is a cup of tea, a cup of tea, a cup of tea, All I want is a cup of tea, It's the taste of home for me. Little Englander in America, I don't know what I'm doing here, Coffee TV have a nice day A cup of tea would blow me away All I want is a cup of tea, a cup of tea, a cup of tea, All I want is a cup of tea, It's the taste of home for me.
