

Let's Go

The Adicts

Let's Go! Let's Go!

Everybody's happy tonight
Getting hot under the lights
Often cheerious, no more to spend
You don't got no one to hold your hand
Let's Go! Let's Go!

Let's Go, Non-stop
Let's Go, Non-stop

Please yourself
It's your choice
Just think of your voice
Let's Go! Let's Go!

Let's Go, Non-stop
Let's Go, Non-stop

Let's Go! Let's Go! (Whoa) [x11]
Let's Go! Let's Go!

Let's Go, Non-stop
Let's Go, (whoa) Non-stop
