

Life Goes On

The Adicts

Wake up sleepy head
Time to get out of bed
Rise and shine, there's another day ahead
Do you remember last night?
You weren't a pretty sight
You've had plenty of time,
To unwind,
Get yourself together and be on time,
I'll be down at the bar,
For that hair of the dog,
The day is young but the night will come,
Gonna hit the town and have some fun
I got money to spend
Spend it with my friend
A drink, or two, or maybe more
Then we'll be staggering out the door
Don't know what night will bring
I can't remember a thing
I think I had a song to sing,
And it went:

La la la la la la la la la
Life goes on
Such a barrel of fun
La la la la la la
Life goes on

Beer, beer, let's have another beer
Everybody's cheering
Cheers, cheers, let's have another brew
For me, and you
So cheers
To all of you

La la la la la la la la la
Life goes on
Such a barrel of fun
La la la la la la
Life goes on
