

Love Lies Bleeding

The Adicts

I came I saw and then conquered
I came once more like a lamb to the slaughter
Now love lies limp
Oh it made me think
What's this feeling called love
And love lies bleeding
Oh it had her thinking
What's this feeling called love
I hurt, she cried, as I plundered
Never thought that she was somebody's daughter
She crept, she left in the darkness
I wonder how she sees it all now
Now I'm high and dry
Didn't mean to make you cry
It's not the way it's meant to be
You gave it all to me
