

## Rollercoaster

The Adicts

I'm flying with Tony. I'm ready to show  
I got to get up to no good. I got to get up and go  
I'm hanging with Benny. I'm hanging with Al  
Come see the freak show. At the carnival  
I'm on a high wire. And i'm not going down  
Get under the big top. Get into the groove  
Roll with the punches. Time to make a move  
Ride the roller coaster. From coast to coast  
Ride the roller coaster
