

Songs of Praise

The Adicts

Sing to me
And I'll whistle along
Because I haven't learnt the language
And I might get it wrong

O o o o songs of praise
O o o o songs of praise

On Your face
Is a profile of you
I can see you know
The right things to do

O o o o songs of praise
O o o o songs of praise
O o o o songs of praise...
O o o o songs of praise...
