

We Ain't Got a Say

The Adicts

Hey Hey Hey', We Ain't Got A Say
We Ain't Got A Say In The World Today
Hey Hey Hey', We Ain't Got A Say
We Ain't Got A Say In The World Today
Let's Hear Your Voices, We Got Choices. Yeh'
We March Together In Any Weather, Yeh'
Those Politicians Are Making Decisions
It's Out Of Our Control
Who Has The Answers To Our Questions
Maybe We'll Never Know
[Chorus:]
My Church Is Waiting For Your Credit Card
Why Don't You Nail Me To This Cross
Look To The Future, All Together
We Can Change The World
Political Correctness, It's A Fucking Farce.
(Politics, Religion, Corruption, Corporations,
Global Warming, Pollution, Racism, Nationalism,
Fundamentalism, Terrorism, Television)
I'm Just Not Your Television Personality.
Some Body Help Me, I Want To Sleep Tonight
Let's Stick Together In Any Weather
And Put The World To Right
Let's Stick Together, Let's Stick Together
Let's Stick Together And Fight
Let's Stick Together, Let's Get Together Unite.
Hey Hey Hey', We All Got A Say
We All Got A Say In The World Today.
