

## One Chord Wonders

The Adverts

I wonder what we'll play for you tonight  
Something heavy or something light  
Something to set your soul alight  
I wonder how we'll answer when you say  
"We don't like you - go away"  
"Come back when you've learned to play"

I wonder what we'll do when things go wrong  
When we're half-way through our favourite song  
We look up and the audience has gone  
Will we feel a little bit obscure  
Think "we're not needed here"  
"we must be new wave - they'll like us next year"

The wonders don't care - we don't give a damn
