

One Chord Wonders

The Adverts

I wonder what we'll play for you tonight
Something heavy or something light
Something to set your soul alight
I wonder how we'll answer when you say
"We don't like you - go away"
"Come back when you've learned to play"

I wonder what we'll do when things go wrong
When we're half-way through our favourite song
We look up and the audience has gone
Will we feel a little bit obscure
Think "we're not needed here"
"we must be new wave - they'll like us next year"

The wonders don't care - we don't give a damn
