

Life Is Beautiful

The Afters

Through the window
I see you waiting
You are smiling
Cause I'm coming
Your eyes are a story
An ocean of memories
Pictures of faces and places
And all of the things
That make us feel like we have it all

All of the times
That make us realize
We have it all
We have it all

Life is beautiful
Life is beautiful

Living and dying
Laughing or crying
If we have the whole world or have nothing
I know there are long nights
But we'll make it
With every sunrise comes a new light
And all of the things
That make us feel like we have it all

All of the times
That make us realize
We have it all
We have it all

Life is beautiful
Life is beautiful
Life is beautiful

A father's love
A wedding dance
New Year's dreams
A toast with friends
A soldier coming home from war
The faith the hope of so much more
A brand new life, a mother's prayer
Shooting stars, ocean air
A lover's kiss, and hard goodbyes
Fireworks, Christmas lights

These are things that make us feel alive
These are the times that make us realize

Life is beautiful
Life is beautiful
Life is beautiful

These are the times that make us realize
