

Love Is In The Air

The Afters

Love is in the air tonight
Love is everywhere tonight
Moving through my heart like the wind,
I come alive as I breathe it in.
Love is in the air.
Love is in the air tonight.

Here, under the bright lights, no one around, its only you and me.
Here, until the sunrise, I wanna stay with you and never leave.
The world's slowing down, my heart's speeding up, I know it might seem crazy.
I look into your eyes, lighting up the night when you are with me.

Love is in the air tonight
Love is everywhere tonight
Moving through my heart like the wind,
I come alive as I breathe it in.
Love is in the air.
Love is in the air tonight.

Here, we're feeling weightless as we escape gravity.
Where will this take us? Imagine all that we can be.
The world's slowing down, my heart's speeding up, I know it might seem crazy.
I look into your eyes, lighting up the night when you are with me.

Love is in the air tonight
Love is everywhere tonight
Moving through my heart like the wind,
I come alive as I breathe it in.
Love is in the air.
Love is in the air tonight.

While world's in motion, we're like a picture frozen.
I wanna stay with you as long as I can breathe
Love is in the air tonight
Love is in the air tonight
Love is in the air tonight
Love is in the air tonight

Love is in the air tonight
Love is everywhere tonight
Moving through my heart like the wind,
I come alive as I breathe it in.
Love is in the air.

Love is in the air tonight.
