

Saving Grace

The Afters

Like a man on a wire
I balance between
A heart filled with desire
A head that knows everything
Somewhere out in the middle
You found me

I've got one foot in the clouds
One foot on the ground
You keep me steady somehow
Keep me from looking down
Somewhere out in the middle
You found me

Falling into you
Is safe and sound
You open up my eyes
I see it now

You're my saving grace
You're my saving grace
I run to my hiding place
My saving grace

My life hangs on a string
But I'm not afraid
I feel your love down below me
If it starts to break
Somewhere out in the open
You found me

Falling into you
Is safe and sound
You open up my eyes
I see it now

You're my saving grace
You're my saving grace
I run to my hiding place
My saving grace
My saving grace

Carry me now
On your shoulder
I won't look down
Pull me closer

Carry me now
On your shoulder
I won't look down
Pull me closer
Pull me closer

You're my saving grace
You're my saving grace
I run to my hiding place
My saving grace

My saving grace
