

Some Other Time

The Alan Parsons Project

In the matter of a moment
Lost till the end of time,
It's the evening of another day
And the end of mine.

Now the starlight which has found me
Lost for a million years
Tries to linger as it fills my eyes
Till it disappears.

Could it be that somebody else is
Looking into my mind?

Some other place,
Somewhere,
Some other time.

Some other place,
Somewhere,
Some other time...

Like a mirror held before me
Large as the sky is wide...
And the image is reflected
Back to the other side.

Could it be that somebody else is
Looking into my mind?

Some other place,
Somewhere,
Some other time.

Some other place,
Somewhere,
Some other time...
