

## Some Other Time

The Alan Parsons Project

In the matter of a moment  
Lost till the end of time,  
It's the evening of another day  
And the end of mine.

Now the starlight which has found me  
Lost for a million years  
Tries to linger as it fills my eyes  
Till it disappears.

Could it be that somebody else is  
Looking into my mind?

Some other place,  
Somewhere,  
Some other time.

Some other place,  
Somewhere,  
Some other time...

Like a mirror held before me  
Large as the sky is wide...  
And the image is reflected  
Back to the other side.

Could it be that somebody else is  
Looking into my mind?

Some other place,  
Somewhere,  
Some other time.

Some other place,  
Somewhere,  
Some other time...
