

# It Ends Tonight

## The All-american Rejects

Your subtleties  
They strangle me  
I can't explain myself at all.  
And all that wants  
And all that needs  
All I don't want to need at all.

The walls start breathing  
My minds unweaving  
Maybe it's best you leave me alone.  
A weight is lifted  
A weight is lifted  
On this evening  
I give the final blow.  
When darkness turns to light,  
It ends tonight  
It ends tonight.

A falling star  
A falling star  
Least I fall alone.  
I can't explain what you can't explain.  
Your finding things that you didn't know  
I look at you with such disdain

When darkness turns to light,  
It ends tonight  
It ends tonight.  
Just a little insight will make this right  
It's too late to fight  
It ends tonight,  
It ends tonight.

Now I'm on my own side  
It's better than being on your side  
It's my fault when you're blind  
It's better that I see it through your eyes  
All these thoughts locked inside  
Now you're the first to know
