

# Real World

## The All-american Rejects

I woke up on this side, I thought it was a dream  
At first we learned to walk then learned to scream  
You can't understand, when you're fed from a TV screen  
You can't see the things that I can see

But I forget, that you thank God and pray  
Some things just never stay  
And we all just slip away

This can't be the real world now  
I don't believe it, when I can't see the truth  
Welcome to the real world now  
The old are carried in only to poison youth  
Am I, the only one who thinks it's tragic  
'Cause I know  
This can't be the real world now  
Oh no oh  
Oh no oh

I look for some hope in every face there's a vacant stare  
The shadows come but no one seems to care  
The darkness floods every light that could promise change  
She passed sound asleep when the blood is stain  
But blood is pain

Somewhere I know, that I'm not all alone  
With this bated breath I hold  
My lungs want to explode

This can't be the real world now  
I don't believe it, when I can't see the truth  
Welcome to the real world now  
The old are carried in only to poison youth  
Am I, the only one who thinks it's tragic  
'Cause I know  
This can't be the real world now  
Oh no oh  
Oh no oh  
This can't be the real world now  
Oh no oh  
Oh no oh

Just as soon as we see  
Every flaw and every need we'll understand  
And for the first time  
A child to a man says only pure words that he can  
He's too late the man he knows it he said  
With all emotions set aside in a whisper say goodbye

This can't be the real world now  
I don't believe it, when I can't see the truth  
Welcome to the real world now  
The old are carried in now just to poison youth  
Am I, the only one who thinks it's tragic  
'Cause I know  
This can't be the real world now  
Oh no oh

Oh no oh  
This can't be the real world now  
Oh no oh  
Oh no oh  
This can't be the real world  
This can't be the real world  
This can't be the real world now  
Oh no oh  
Oh no oh
