

Crank and Deceit

The Almighty

Warwick

It makes no fucking difference
if it's all the fucking same
I swear to God that I
don't believe a fucking thing
I don't want to sleep
3 a.m. knows my secret
I could have been anyone
but I'm just somebody I used to be
(pre-chorus)

Want this need this
hate this love this
needfreak
want this need this
hate this love this
fuck this
(chorus)

I've been up for weeks
I have been losing sleep
on crank and deceit
I want you to feel this too
what makes you think I give a fuck
well maybe I'm just paranoid
am I paranoid enough
(pre-chorus chorus)

You know me better than I know myself
I've been up for weeks
I've been losing sleep
dirt starts smelling sweet
feeling obsolete
on crank and deceit
