

## How Real is Real for You

The Almighty

Let's get this situation sorted out  
Coz everybody's an authority  
An independent state of mind is one thing  
If you define your own reality  
You say that we both want the same thing  
Well you don't mind if I go on changing  
[Chorus]  
How real is real for you?  
How real is real for you?  
I've got to get some exploitation  
Just to prove I'm all over you  
Revolution starts in the mirror  
Expectations are so hard to see thru  
So tell me something that I don't know  
Now you've run out of things to control  
[Chorus]  
Take away that meaning  
Destroy before feeling
