

They're playing Curtis on the radio
As my baby does another line
Sitting in the sun drinking Koka-Kola
it's Mickey Mouse real life TV prime time
It's an urban combat sitcom
A nations morality carwash
All personality bypass
And white trash Ku Klux Klowns
You can't help watching what you can't stand watching
You can't help watching what you can't stand watching
USAK-47
USAK-47
USAK-47
We're blown away by the USA
We're blown away every single day
I always wanted a Cadillac
Making down payments on a dream
And Billy Boy the Apocalyptic Kid
Man wishing that her dress was clean
They love the smell of guilt in the morning
Surprise, surprised you r government lies
Getting retrogressive in the bedroom
Crankin' up the MotorCity5
You can't help watching what you can't stand watching
You can't help watching what you can't stand watching

We're blown away by the USA
Blown away every single day
Fun fun fun
Until your daddy takes the meaning away
Fun fun fun
Until your daddy takes the meaning away
Fun fun fun
Until your daddy takes the meaning away
