

# Way Beyond Belief

The Almighty

Warwick

Open up your eyes  
get a little introspection in your life  
time to realise  
what you have inside  
sometimes you've got to wear it out  
(pre-chorus)

I'm not giving anymore  
I'm not taking anymore  
I'm not feeling anymore  
I'm not guilty anymore  
(chorus)

Take it way beyond belief  
I don't need a reason  
no matter what it takes  
it's just another phase outgrown  
confront yourself  
a change for the sake of it  
won't change anything  
(pre-chorus chorus)

So just keep it out of reach and take it way beyond belief  
what ever you think you need to take it way beyond belief  
(pre-chorus)

They say you got to live with what you believe  
Am I living up to what you want me to be ?  
Open up your eyes - take it way beyond belief  
Time to realise - take it way beyond belief  
What you have inside - take it way beyond belief  
I don't need a reason, I don't need a reason  
(pre-chorus chorus)
