

Never Say I Told You So

The Almost

Hey yeah, hey hey
Just tell me what's the difference that's between
Being myself and being
Oh so...
Together with my thoughts I,
I cut and stab and make my,
I cut and stab and make my
Example

For those about to tell me to,
I'll never listen to you

I'll never go,
I don't wanna know
I don't need to know
Why won't you stay,
you're so far away
I don't need to...

This is the part where you take,
You take your place and I just,
Just take mine
I've never been so sick of,
So sick of seeing you so,
You so blind

Of all the things you offer to
The ones who forget you

I'll never go,
I don't wanna know
I don't need to know
Why won't you stay,
you're so far away
I don't need to...

I'll get you back, cause I've been known for,
For sneaking my, for getting my, for stealing my revenge

I'll never go,
I don't wanna know
I don't need to know
Why won't you stay,
you're so far away
I don't need to...
