

D.I.E.

The Amity Affliction

If I pray to the open sky
One more time before I close my eyes
My shadow self will get another life

I don't think so
And Hell is empty
The devils here are vast and plenty
I've had a few, I'm friends with many
The Devil's here

The devils here, the devils here, the devils here,
Are vast and plenty
The Devil's here, the Devil's here, the Devil's here
And we're all gonna...

D.I.E
We're all gonna die
We're all gonna die
We're all gonna...
D.I.E
We're all gonna die
We're all gonna die
We're all gonna...

D.I.E
D.I.E M.Y. D.A.R.L.I.N.G
Tell me what come's next when I D.I.E
Will the sky give way?
Will life let me be?

The devils here, the devils here, the devils here, Are vast and plenty
The Devil's here, the Devil's here, the Devil's here
And we're all gonna...

D.I.E
We're all gonna die
We're all gonna die
We're all gonna...
D.I.E
We're all gonna die
We're all gonna die
We're all gonna...
D.I.E

We're all gonna die
We're all gonna...
D.I.E
We're all gonna die
We're all gonna die
We're all gonna...
