

Don't Lean On Me

The Amity Affliction

Let the ocean take me!

You gotta know, kid, that it ain't easy
To take on all of your grieving
Yeah, you've gotta believe me

Oh!

Well, don't lean on me, cause I am falling
Please don't fall with me
I really need you here, yeah
I need you so don't leave
And don't count on me, cause I am drowning
Please don't drown with me
Just hold me in your heart
And let the ocean take me
Let the ocean take me

And you think I don't read every message
That you send
You think I turn a blind eye
You think I'm just like them
It breaks my heart
All these stories brings me to tears
All this grief
And I feel so fucking helpless
When I can't be your relief

Oh!

Well, don't lean on me, cause I am falling,
Please don't fall with me
I really need you here, yeah, I need you
So don't leave
And don't count on me, cause I am drowning
Please don't drown with me
Just hold me in your heart,
And let the ocean take me

There is hope in my eyes
There is hope in these words
And there are far too many reasons
For you to stay here on this Earth
Stay with me

Well, don't lean on me, cause I am falling,
Please don't fall with me
I really need you here, yeah, I need you
So don't leave
And don't count on me, cause I am drowning
Please don't drown with me
Just hold me in your heart,
And let the ocean take me
Let the ocean take me
Let the ocean take me
