## The Amity Affliction

I've been searching for an exit, but I'm lost inside my head  
Where I spend every waking moment wishing I was dead  
For a few minutes get me away from here,  
For a few minutes wipe away my tears.  
For I am lost right now as the ocean deep  
I am low, my friend and how my heart does sink  
Yeah, I am lost right now as the ocean deep  
I am low, my friend and how my heart does sink

It's like there's cancer in my blood,  
It's like there's water in my lungs,  
And I can't take another step,  
Please tell me I am not undone  
It's like there's fire in my skin  
And I'm drowning from within  
I can't take another breath,  
Please tell me I am not undone

I've been searching for an exit but I'm lost inside my head  
Where I spend every waking moment wishing this would end  
I can't take another step, I cannot live inside my mind,  
I can't face another day, I am so fucking tired  
For I am lost right now as the ocean deep,  
I am low, my friend and how my heart does sink  
Yeah I am lost right now as the ocean deep,  
I am low, my friend and how my heart does sink

It's like there's cancer in my blood,  
it's like there's water in my lungs  
And I can't take another step  
Please tell me I am not undone  
It's like there's fire in my skin  
And I'm drowning from within  
I can't take another breath  
Please tell me I am not undone

I've been searching for an exit but I'm lost inside my head  
Where I spend every waking moment, wishing I was dead  
I'll take another step for you  
I'll shed my tears until I drown, or until I am underground  
I'll take another breath for you  
Will you still be there when I'm home, out from the great unknown?

It's like there's cancer in my blood,  
It's like there's water in my lungs,  
And I can't take another step  
Please tell me I am not undone  
It's like there's fire in my skin  
And I'm drowning from within  
I can't take another breath  
Please tell me I am not undone

It's like there's cancer in my blood,  
It's like there's water in my lungs,  
And I can't take another step  
Please tell me I am not undone  
It's like there's fire in my skin

And I'm drowning from within  
I can't take another breath  
Please tell me I am not undone
