Did You Hurt Somebody

The Angels

Heat's on, heart is burning somebody took a desperate chance downtown streets of passion last rites for a dead romance leave the wasteland, time to choose crack force is closing in on you take a hard line for the last time

Did you hurt somebody did you kill the pain did you hurt somebody gonna lie alone again

Long walk, guard the backway cool hand as you mark your man love in blood, muscle n' money shoulder to shoulder, close command final stand, daddy don't die bullhorn bleeding battle cries take a hard line for the last time

Did you hurt somebody did you kill the pain did you hurt somebody gonna lie alone again
