

## Blue Feeling

The Animals

Sit here and wonder  
Why am I so blue  
Is it because  
I'm still in love with you?

Blue, blue feeling  
Got me down today  
Blue, blue feeling  
My baby's gone away

Now that she's gone  
I don't know what I'll do  
I guess I'll have to find  
Find somebody new

Blue, blue feeling  
Got me down today  
Blue, blue feeling  
My baby's gone away

Baby please don't leave me  
Oh don't leave me

Now that she's gone  
I'm feeling kind of blue  
I guess I'll have to find  
Find somebody new

Blue, blue feeling  
Got me down today  
Blue, blue feeling  
My baby's gone away

Well, baby please don't leave me  
Baby please don't go  
Honey child don't leave me now  
Baby please, baby please
