

Good Times

The Animals

When I think of all the good times that I've wasted having good times

When I think of all the good time that 's been wasted having good times

When I was drinkin'

I should've been thinkin'

When I was fighting

I could've done the right thing

All of that boozin'

I was really losin'

Good times

Good times

When I think of all the good time that's been wasted having good times

When I think of all the good time that's been wasted having good times

All of my lying

I remember her crying

My useless talkin'

I couldv'e been walkin'

Instead of complainin'

I couldv'e been gainin'

Good times

Yes, here we all are having a jolly good time

And everything is working out fine, ha ha ha ha ha

Useless talkin'

All that walkin

All of my sinnin'

I could've been winnin'

I have it too easy

And its a beginning of good times

Good times

I said good times

Talking bout good times
