

I Believe to My Soul

The Animals

One of these days
And it won't be long
You're gonna search for me
And down the road I'm gone

'Cause I believe
Oh yes, I believe
I believe to my soul
You're tryin' to mess around with me, babe

You keep complainin'
My progression is slow
You shouldn't complain, baby
You ought to know

'Cause I believe
Oh yes sir, I believe
I believe to my soul
You're tryin' to make a fool of me

Once you told me that you loved me
I found out it was a lie
You should be ashamed, baby
Hang your head and cry

'Cause I believe
Oh yes, I believe
I believe to my soul
You're tryin' to make a fool of me
I believe it
