

## I'm in Love Again

The Animals

Early in the morning  
Sitting here all alone  
Waitin' for my baby  
To call me on the telephone  
I'm in love, I'm in love  
Feels good all the time

I said, ?I can't sleep at night?  
Turning from side to side  
The woman that I'm lovin'  
She stays on my mind  
I'm in love, I'm in love  
Feels good all the time

Now let's get it now baby!  
Let me tell you baby  
I'll tell you what I want to do  
I would rob, steal, kill somebody  
To get some money for you

'Cause I'm in love, I'm in love  
Feels good all the time  
Now let's get it one more time baby!  
Let me tell you baby  
Tell you what it's all about  
When I see you honey child

You make me  
Wanna jump and shout  
I'm in love, I'm in love  
Feels good all the time

Early in the morning  
Sitting here all alone  
Waitin' for my baby  
To call me on the telephone  
I'm in love, I'm in love  
Feels good all the time

I'm in love, I'm in love  
Feels good all the time
