

## Man - Woman

The Animals

Man, woman, desire, love  
Love one another  
Can true love last forever?  
Man, woman, desire, love  
They both agree?  
Yes, it can  
Be my woman?  
I'll be your man  
Man, woman, desire, love  
'Baby, is there something wrong with you?  
You don't do the things you used to do'  
'I'm sorry baby, it's just I've been drinking, I need some rest'  
That's when she starts really thinking  
Man, woman, tired, love  
He still loves her and that's a fact  
But he can't help the way he acts  
She feels it now and she turns to ice  
He sees an old friend for some advice  
Man, friend, 'Work things out'  
'Okay baby, shoot, lets get things off your chest  
I know what you need, you need a damn good rest  
Now I know a chick, she's cool and she's a good friend'  
...This is the beginning of the end...  
He hesitates, he thinks, ahh, I'll take a chance  
Well, what's wrong with taking a chick to a dance?  
Nothing...  
What's wrong with taking a lady home?  
Nothing...  
'Stay awhile baby, it's all right, we're quite alone'  
Well, what's wrong with that?  
Plenty...  
Man in heaven...temporarily  
Woman? Worried  
He arrives home very very late and she is staring at the wall  
She says, 'How was the meetin' tonight honey? Did you have a ball?'  
He says to her, 'No, it was a drag. Me and the fellas just got a little stoned  
I got a little drowsy and I couldn't find my way home'  
She says, 'Yeah, I know'  
She knows...  
And he knows that she knows  
Now she's got to work really fast  
If their love is going to last  
Talkin' it over would only be a drag  
She's got to pull some tricks out of her feminine bag  
Ha, all right  
Comes morning she's home and dry  
And her man sleeps on, satisfied,  
And this is the story of man, woman, desire, love  
Man, woman, desire, love  
Man, man  
Woman, woman, woman,  
Desire  
Love  
Set your soul on fire...
