

Break Away

The Anix

Sorry, I don't have the strength to control you
And now I pass you by as though you never were mine
Did you ever see that you could only bring me down
When you looked back and walked away?

Break away
And we hate and we've come to a point in our lives
Where nothing seems all right
And we break away
And we know that we've come to a point in our lives
Where nothing feels alright

Sorry, I don't have the strength to control you
And now I pass you by as though you never were mine
Did you ever see that you could only bring me down
When you looked back and walked away?

Break away
And we hate and we've come to a point in our lives
Where nothing seems all right
And we break away
And we know that we've come to a point in our lives
Where nothing feels all right

Break away
And we hate and we've come to a point in our lives
Where nothing seems all right
And we break away
And we know that we've come to a point in our lives
Where nothing feels all right
