

Cry Little Sister

The Anix

A last fire will rise behind those eyes
Black house will rock, blind boys don't lie
Immortal fear, that voice so clear
Through broken walls, that scream I hear

Cry, little sister - Thou shall not fall
Come to your brother - Thou shall not die
Unchain me, sister - Thou shall not fear
Love is with your brother - Thou shall not kill

Blue masquerade, strangers look on
When will they learn this loneliness?
Temptation heat beats like a drum
Deep in your veins, I will not lie

Little sister - Thou shall not fall
Come to your brother - Thou shall not die
Unchain me, sister - Thou shall not fear
Love is with your brother - Thou shall not kill

My Shangri-Las
I can't forget
Why you were mine
I need you now

Cry, little sister - Thou shall not fall
Come to your brother - Thou shall not die
Unchain me, sister - Thou shall not fear
Love is with your brother - Thou shall not kill
