

## Tu-Whit To-Whoo

### The Anniversary

By the house that you call home lies the evil and the scared  
Pass the saints through the heaven gates - we can hide out there  
I've known you all my life tonight and I won't let that go  
I've known you all my life tonight  
On the Highland borderline it brings us back when we were kids  
Pictures of our dead loved ones - the night is young so don't be scared  
I've known you all my life tonight and I won't let that go  
I've known you all my life tonight
