

Tu-Whit To-Whoo

The Anniversary

By the house that you call home lies the evil and the scared
Pass the saints through the heaven gates - we can hide out there

I've known you all my life tonight and I won't let that go

I've known you all my life tonight

On the Highland borderline it brings us back when we were kids

Pictures of our dead loved ones - the night is young so don't be scared

I've known you all my life tonight and I won't let that go

I've known you all my life tonight
