

Can't Remember, Can't Forget

The Answer

You taught me everything I know
How I should never hide my feelings
So tell now I'm not alone
Well I can't remember, I can't forget

Do you know that I will carry on?
Do you know that I will carry on
You don't have to worry, I will never let you fall
And you know that I will carry on

At least you left when you were strong
More when her tears should not be shedding
The seven years have come and gone
But I can't help hoping that you return

Do you know that I will carry on?
Do you know that I will carry on
You don't have to worry, I will never let you fall
And you know that I will carry on

If I can hear you tell me everything is all right
I'll give it all if I hear you tell me that is all right

Do you know that I will carry on?
Do you know that I will carry on
You don't have to worry, I will never let you fall
And you know that I will carry oooooooooon
And you know!!.....that I will carry on

You don't have to worry, I will never let you fall
And you know I will carry on
