

The Other Side

The Answer

I wish that I could join you for the ride
From here to the other side
This trip will last forever

And I watched you go
You left so much behind
You gotta leave it all behind you now
Your store is safe for keepin'

I wish that I could join you for the ride
I'll see you on the other side

We bid you well
So go lightly on your way
No, I never ordered you to stay
We'll sing your name together

I wish that I could join you for the ride
From here to another
Wait for me and when the time is right
And when the time is right
I'll see you on the other side

Wait for me I'll be your cover
I'll see you on the other
We can face the storm together
You know I'll wait forever
I will wait forever

I wish that I could join you for the ride
From here to another
Wait for me and when the time is right
And when the time is right
I'll see you on the other side
I'll see you on the other
I'll see you on the other
I'll see you on the other
I'll see you on the other side
