

Flash Floods Don't Retreat

The Antlers

The atom's broken
and the strings are comin' loose
Foundation isn't holdin' up the house
So whats the use?
The dogs are barking
And cats don't land on their feet
Flash Floods don't Retreat

Ohh-Oh-Oh

Traffic Lights take to much longer to change
Well then
Speed up
Switch quick
And stop again

Construction stops
the sidewalks don't wad up today
The birds fall into the nest
and then
soon
soon
soon

Ohh-Oh-Oh
