

Can't Wake Up

The Apache Relay

I, I can't wake up
No I, I can't wake up
Oh if I could
I would not be here no more

Cause I, I wait for the sun
Oh I, I wait for the sun
To open my eyes
All them clouds, they make me numb

No you don't
No you don't
Know what you want
Until it's gone
Until it's gone

So give me your hand
Oh give me your hand
I have forgotten
What it means to live

And come close to me
She come close to me
Well I need your heart
To feel a beat

No you don't
No you don't
Know what you want
Until it's gone
Until it's gone

Let me feel

Oh I need your heart
Let me feel it beat
Oh I need your heart
Help me feel a beat
