

Lost Kid

The Apache Relay

Sometimes I feel like I'm just a lost kid,
Stumbling through these towns,
Stuck between the waves.
Nothing feels the same.

I need an anchor that never lets go,
I need someone to call, hear a voice I know.
Something that feels like home.
Something that feels like home.

All my life, all my life, all my life I've been waiting for You
All my life, all my life, all my life I've been waiting for You

I've been searching all of my days, looking for any signs, reading between the lines, hoping for anything.
I've been living in this tension, I just pretend I'm fine, that everything's ok, but I'm about to break.
Yeah I'm about to break

All my life, all my life, all my life I've been waiting for You
All my life, all my life, all my life I've been waiting for You
All my life, all my life, all my life I've been waiting for You
All my life, all my life, all my life I've been waiting for You
