

Can You Feel It

The Apples In Stereo

Turn up the stereo
Oh, oh, turn up your stereo
Oh, oh, I feel electric when the meter starts to glow
Oh, oh, turn up your stereo
Oh, oh, I feel the magic when the speaker starts to blow

Can you feel it? (can can you feel it?)
Ooh can you feel it? (can can you feel it?)
Oh can you feel it? (can can you feel it?)
It makes you feel good, it makes you feel good

Can you feel it? (can can you feel it?)
Ooh can you feel it? (can can you feel it?)
Can you feel it, feel it
It makes you feel so good

Oh, oh, turn up your stereo
Oh, oh, drown out the static on the FM radio

Oh, oh, turn up your stereo
Oh, oh, drown out the bullshit on the FM radio

Can you feel it? (turn up the stereo)
Can you feel it? (turn up the stereo)
Can you feel it (turn it up), feel it (turn it up)
I feel so good (turn it up), I feel so good (turn it up)

Turn up the stereo, turn up the stereo
Turn up, turn it up, I feel so good, turn it up, I feel so good
It makes you feel so good
