

Radio Down!

The Aquabats

Chorus:

Don't turn the radio down
(We want the music loud)
Don't turn the radio down
(We wanna mess around)
We feel like dancin'
We wanna dance, so
Don't turn the radio down
Don't turn the radio down
(We want the music loud)
Don't turn the radio down
(We wanna mess around)
Nah nah nah nah nah Hey!
We on the radio, so
Don't turn the radio down
We wrote some songs, made a record
but we had no place to go
so we go some old computer parts
and built a radio
Now we can dance baby
You wanna dance baby?
Turn up the radio
To start the dance craze!

Bridge:

Don't need no talk shows (Nope!)
Don't need no deejay's (No!) can
We can dance in a million different ways
with the record selection and the
mirror's reflection
and I'm dancin' with myself!
Oh Oh Oh Oh!

(Chorus)

So take a break, take a second
Awww! Shucks!
Quit yer job! When you pump out the
jammy jams,
you take the whole year off
you gotta dance baby
this here's your chance baby
to turn up the radio and
dance the night away.!!

(Bridge)

(Chorus)

(Biz totally kills it right here)
So let it all come down
Let it all come crashing down.
Cuz we ready, to rock it steady
Were gonna dance, dance,
Dance to the radio!

(Chorus)
