Red Sweater!

Oh well, whatever

The Aquabats

I met you in the third grade I didn't know that you liked lemonade I met you another year later You wore a red sweater with an alligator We chased the ice cream truck across the street And I thought you seemed kind of neat We held hands as we walked to the swings in the park. [Chorus] You're my girl I'm your man I don't care if we live in a garbage can I'm your man You're my gal I'm so glad that we are pals. You're not fat You don't smell bad You're always smiling Never sad I bet you take a shower every day Hey hey hey hey hey. But then when I saw you Playing soccer with your friends I knew that day Our love would never end. And this whole time It blows my mind Oh well whatever We're so good together When you marry me You'll be my wife. [Chorus] I'm in love, its great See you again - can't wait There's so much to do You're such a pretty girl We'll travel 'round the world To see this love through. And if you ever went away from me I would cry I would fall down on one knee And I would pray Yes I would pray That you would come back To me someday.... [Chorus] Oh well, whatever You and me and that red sweater

You and me And that red sweater Are go!
