

Guys Who Skate

The Aquadolls

Guys who skate are really great
Those are the guys I wanna date
That kick flip put my heart in checkmate
You're my soul mate, soul mate!
Soul mate!
Sipping lemonade as you zoom down the hill
You're looking pretty cute, you seem pretty chill
I wish that you would teach me to skate too
So maybe I could skateboard with you
Guys who skate are really great
Those are the guys I wanna date
That kick flip put my heart in checkmate
You're my soul mate, soul mate!
Soul mate!
That ollie made my heart golly gosh I love you!
I wanna scream, I wanna jump, I gotta kiss you!
That long, dark hair gets me shaky at the knees
You look really hot when you wear beanies
Guys who skate are really great
Those are the guys I wanna date
That kick flip put my heart in checkmate
You're my soul mate, soul mate!
Soul mate!
Guys who skate are really great
Those are the guys I wanna date
That kick flip put my heart in checkmate
You're my soul mate, soul mate!
Soul mate!
Ooooooh
Whoa oh oh oh oh oh oh
