

Whoa Man

The Aquadolls

Whoa man

Whoa man

I don't know, man

Seek how she shall find them

All you seek will come to you

Come right on through

You'll know it when it kicks in.

Close your two eyes

Let that third one dance right in its place

Oh, oh

Whoa man

Whoa man

I don't know, man

Seek how she shall find them

All you seek will come to you

Come right on through

You'll know it when it kicks in.

Close your two eyes

Let that third one dance right in its place

Oh, oh
