

# Bang-Shang-A-Lang

The Archies

I recall just walking down the street  
Trying to escape the city heat  
I saw her from the corner  
Of my eye, eye, eye  
Yes, she looked so good  
I thought I'd die

My heart went bang shang a lang  
Bang shang a lang  
Bang shang a lang, bang, bang  
My heart went bang shang a lang  
Bang shang a lang  
Bang shang a lang, bang, bang

Something said I  
Shouldn't waste no time  
If I'm ever gonna make her mine  
I walked right up and  
Say how do you do, do, do  
She said I bet I do  
As good as you

My heart went bang shang a lang  
Bang shang a lang  
Bang shang a lang, bang, bang  
My heart went bang shang a lang  
Bang shang a lang  
Bang shang a lang, bang, bang

I remember when I held her tight  
(Bang shang a lang)  
Felt like holding dynamite now  
(Bang shang a lang)  
What's that ringing in my ear  
(Bang shang a lang)  
Tell me, ain't those bells I hear  
(Bang shang a lang)

Bang, bang, shang a lang  
Bang, bang, shang a lang  
Bang, bang, bang  
Shang a lang lang  
Bang, bang, bang  
Shang a lang, lang

Now she's gonna  
Spend her life with me  
And we'll be as happy as can be  
Because I love her more  
Than I can tell, tell, tell  
Sunday afternoon  
We'll hear the bells

And they'll go bang shang a lang  
Bang shang a lang  
Bang shang a lang, bang, bang  
Oh, they'll go bang shang a lang

Bang shang a lang  
Bang shang a lang, bang, bang

Bang shang a lang  
Bang shang a lang  
Bang shang a lang, bang, bang  
Bang shang a lang  
Bang shang a lang  
Bang shang a lang, bang, bang
