## The Archies

Oh, Justine  
Don't you just know  
You driving me wild  
Pretty child  
You driving me wild  
Woah

Justine  
Can't you just tell  
I'm loving you so  
Don't you know  
I'm lovin' you so  
Whoa, Justine

Justine, just look at me  
Justine, just hold my hand  
Justine, Justine  
Just a hold my hand  
Justine, just look my way, hey, hey  
Just look my way

Justine  
Don't you just know  
You driving me wild  
Pretty child  
You driving me wild  
Woah

Justine...

Justine, just look at me  
Justine, just hold my hand  
Justine, Justine  
Just a hold my hand  
Justine, just look my way, hey, hey  
Just look my way

Don't you just know  
You driving me wild  
Pretty child  
You driving me wild
