

# Melody Hill

The Archies

(Yooooo whoa yooooo)  
Wipe away your tears  
Let's take a little walk up melody hill  
Put aside your fears  
We're gonna take a walk up melody hill  
While sun shines on the flowers  
(La la la la)  
We'll kiss away the hours  
(La la la la)  
Listening to our happy little song

Baby me and you are living in a dream like, Jack and Jill  
Where skies are always real  
Where grass is always green on melody hill  
There's always perfect weather  
(La la la la)  
For me and for us togerther  
(La la la la)  
Baby that's the place where we belong

(Whoa whoa whoa whoa melody hill)
