

Throw a Little Love My Way

The Archies

Throw a little love my way
Darling say you'll always please me
Throw a little love my way
Darling stay,
say you'll never leave me
(Leave me)
no no
(leave me)

Take me to the top of the mountain
Lead me to the furthest star
Oh anywhere you go, I'll be there
Happy to be right where you are

So darling,
Throw a little love my way
Darling say you'll always please me
Throw a little love my way
Darling stay,
Say you'll never leave me
(leave me)
No, no
(leave me)

If you're across the widest river
I will do my best to get to you
Ah, I will go anywhere your love takes me
Just to show that my love is true
Oh,
na na

Da da da da-da-da-da-da-da
Da da da da da da da
Da da da da-da-da-da-da-da
Da da da da da da da

(you got to throw a little love)
(throw a little love)

You got to
Throw a little love my way
Darling say you'll always please me
Throw a little love my way
Darling stay, say you'll never leave me
Oh no

You got to
Throw a little love my way
Darling say you'll always please me
Throw a little love my way
Darling stay, say you'll never leave me
(leave me)
Oh oh
(leave me)
Come on now
Throw a little love my way
