You little angel you
You got me feeling like I never felt before
You got me feeling like I'm right at heaven's door
And I love this feeling so

(Ba ba bom bom bom ba ba bom ba ba)
(Whooooooooooooooooo)
(Ba ba bom bom bom ba ba bom ba ba)
You little angel you
(Whooooooooooooooooo)
It's like I'm dreaming when I look into your eyes
(Whooooooooooooooooo)
And when your holding you it's just like paradise
So don't ever let me go

(Ba ba bom bom bom ba ba bom ba ba)
(Whooooooooooooooooo)
(Ba ba bom bom bom ba ba bom ba ba)
Tell me were you sent from up above
Did heaven send you down for me to love
Are you really mine and will you stay
Or will I open up my eyes and find you've gone away

Ya
You little angel you
(Whooooooooooooooooo)
It's like I'm dreaming when I look into your eyes
(Whooooooooooooooooo)
And when your holding me it's just like paradise
So don't ever let me go
