## **The Arrogant Worms**

I came to town in the heat A lonely man with tired feet Covered heat to toe in perspiration Then you caught me unaware Body so sleek I had to stare And me a man in need of transportation I do not how you got Into Hernandez' Used Car Lot But I knew that you were Coming back with me I had to have you for my own But should I lease or get a loan Sometimes love is not free And I'll dress you up in fuzzy dice A liscence plate that glows And chrome exhaust pipes I'll dress you up in fuzzy dice And together we ride into the night Paid Hernandez to let you go My lovely El Camino Could hardly wait to get you to my place And even though we love each other I will put on plastic seat covers Nowadays you cannot be too safe I will buff you every night And put your lugnuts on so tight Do you love me as much as I love you And when I drive you 'round a corner Do you think of another owner Am I enough for you? Oh, I'll dress you up in fuzzy dice Funny bumper stickers and tires with walls of white I'll dress you up in fuzzy dice And together we will ride into the night Vroom vroom vroom
